Members Update

Some members have been feeling unwell lately, with 3 of them being admitted for stays in hospital. We wish Arthur Stevens, Mollie Gaynor and Cliff Adams a speedy recovery. For all of you out there suffering the winter blues, rest assured, only 3 months until Spring!

It is with sadness I write to inform you of the passing of a long term member, Ron Burnett. Lorraine and Ron have been members of the Society for a very long time, and Ron passed away near Christmas 2015. Our thoughts and prayers are with Lorraine and her family during this sad time.

And we are pleased to welcome more new members: Pauline Borg, Laura Gillam, Valerie McKurdy and Coralie Mitchell. We trust you enjoy the music and friendship of the group.

Finally, congratulations to Ray Harasymiuk on his recent retirement

and to Len Harris on a big birthday. (He has just turned

60)

Can You Help with this MYSTERY PICTURE?

In one of the boxes of papers and other old items belonging to the Society, was a lead plate once used by printers to produce photographs. We have found someone with a printing press in their backyard, and have reproduced the picture. It is a caricature of someone coming from USA to Australia – but whom? Or is it an Australian returning from USA? If you know, please email Rodney

And finally;

Why doesn't heaven have a pipe organ?

Because they needed the keys in hell to make accordions.
