## FROM THE PRESIDENT

Well, what a year 2020 is turning out to be. Twelve months ago, no one could have guessed at the turmoil that this year has become. And we don't really know where we might be in another twelve months either. Your committee has deliberated over whether we should charge member's fees in 2021, and how best to provide value from your membership, given that three of the Member's Days during the current year had to be cancelled due to Covid-19 restrictions. Our resolution is to provide a reduced cost to the Christmas Luncheon for our members.

The Christmas Luncheon will be held on the first Sunday in December – 6 December 2020 – commencing at midday, 12:00. Once again it will be a seated, three course meal – soup, main and sweets – with organ and piano music and carols to conclude. The cost will be \$30 per member, and \$40 for non-members. Please encourage your friends and family to attend – we need to have forty people attending to meet the caterer's minimum numbers. There is a registration form at the back of the Tremulant to fill out with details of how to make payment.

A reminder that the Society has a collection of CDs and a large range of sheet music which is available to any of our members who would like to borrow some. The sheet music ranges from elementary level through to advanced levels. There are also some videos and records available if anybody desires these. There is no charge to borrow any of these items. See me and I can show you the collection.

*Rodney Raymond*
